

Katy

What is your favorite subject?

Reading and Writing

What is your favorite activity during the day and why?

Reading to the children. Seeing and hearing their reactions to the stories bring me joy!

What do you do in your free time?

Read, cook, and work in my gardens

What is your favorite season during the year and why?

I am most excited for spring to arrive and seeing everything turn green again. And I'm able to be out in my garden!

What is your favorite food or restaurant?

I love Italian food and broccoli

Ms. Katy says, "I love working with children. There is always something new, exciting and challenging happening and I know my days will usually begin and end with a lot of hugs!"
